CITIZEN REPORTER

We have launched our NEW Citizen Reporter tool! This tool will help citizens to quickly submit non-police emergency concerns from their handheld device. Submitted requests will create work orders that are sent to the appropriate Town staff member who will address the issue. This feature gives staff greater tracking and coordination to resolve concerns promptly.

FEATURES:

-Take a photo and upload with submission.

-GPS tag your concern and avoid misinformation.

-You cannot submit concerns outside of our Municipal boundaries; these boundaries are shown, so that you can see if you're within Town limits or not.
